Technology Transfer Training (T3)

Program 2022-2023
Fellows Application

Thank you for your interest in our career-broadening T3 fellows program. Fill out the following application completely and submit it to the AUTM Foundation by 11:59 CDT, August 21, 2022. *We may request additional information for consideration; incomplete applications will not be considered.*

All Applicants Must

- Have one year or less of work experience in the technology transfer field
- Have a high interest in learning skills that enable you to bring innovation from inventors, institutions and entrepreneurs to commercial use and public benefit

Fellows Will Receive

- AUTM full, regular membership through 2023
- An individually-assigned mentor for one year
- Fellow mentor from the past cohort assigned to each participant
- Monthly cohort meetings with guest speakers
- Full access to AUTM's Webinar Library of over 150 career-building tech transfer topics
- Registration to:
    - AUTM Essentials Course - September 20-24, 2022 (Baltimore, MD)
    - AUTM Annual Meeting – February 19-22, 2023 (Austin, TX)
    - One Regional Meeting (North American Fellows Only)

In-person meetings include reimbursement for transportation, hotel, and a per day meal stipend

- Inclusion in online peer communication forums with current and previous fellows
- A dedicated program administrator to field questions and help troubleshoot

Application Submission

Applications and all support materials can be emailed by the deadline to Arlene DeLaRosa at adelarosa@autm.net. If you have questions about the fellowship, please reach out.
